LED LIGHT PANEL SYSTEM

CHANGE YOUR GRAPHICS WITH EASE!

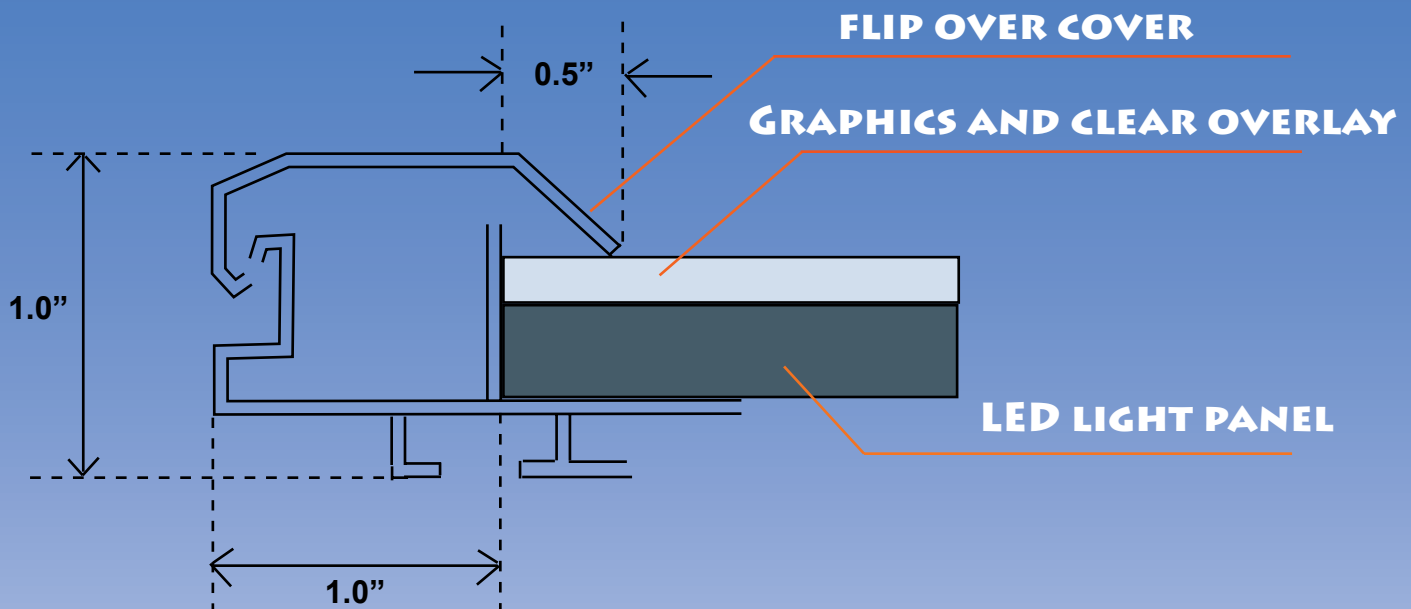

FOR SIGNAGE APPLICATIONS, THE LIGHT BEAM LIGHT PANEL CAN BE SURFACE MOUNTED OR HUNG ON ITS OWN, WITH OR WITHOUT A CONVENIENT SNAP FRAME.

OPTIONS ARE AVAILABLE FOR INDOOR AND OUTDOOR SIGNAGE APPLICATIONS. THE BRIGHT, EVEN ILLUMINATION IS PERFECT FOR ALL TYPES OF SIGNAGE, ELIMINATING HOT SPOTS IN YOUR GRAPHICS AND REDUCING THE DEPTH OF YOUR LIGHT BOX TO 1" OR LESS. MOUNTING THESE LOW PROFILE LIGHT BOXES IS AS EASY AS HANGING A PICTURE FRAME.
